Mission Statement:

At Arbon Elementary, our mission is to empower every student to reach their highest potential and succeed in their educational journey. We are dedicated to fostering an environment of learning, creativity, and inclusivity. Through innovative teaching methods, individualized support, and a commitment to nurturing the unique talents and abilities of each student, we aim to inspire a lifelong love for learning. Our dedicated educators and staff work tirelessly to create a safe, respectful, and engaging atmosphere where every child can thrive academically, socially, and emotionally. Together, we aspire to prepare our students to become confident, responsible, and successful individuals, equipped with the skills and knowledge needed to embrace their future with enthusiasm and resilience.

Vision Statement:

In pursuit of excellence, Arbon Elementary envisions a future where student achievement and classroom instruction are the cornerstones of our educational journey.

Strategic Plan:

Strategic Plan for Arbon Elementary:

Goal 1: Effective Teaching Strategies

-Objective: Implement research-based, effective teaching strategies to enhance student learning.

- Actions: 1. Invest in professional development for teachers to stay updated on best practices.
- 2. Encourage collaborative lesson planning and sharing of successful strategies.
- 3. Monitor and evaluate teaching methods through classroom observations.

Goal 2: Integration of Technology

- **Objective:** Integrate technology seamlessly into the curriculum to enhance learning experiences.

- Actions:
1. Equip classrooms with up-to-date technology and ensure connectivity.
 2. Provide technology training for teachers to effectively use digital tools.
 3. Encourage the creation of digital resources and blended learning opportunities.

Goal 3: Parent and Community Engagement

- **Objective:** Foster a strong partnership with parents and the community to support student success.

- Actions:
1. Establish regular communication channels with parents to keep them informed.
 2. Organize parent-teacher conferences.

This strategic plan will guide Arbon Elementary towards achieving its goals of implementing effective teaching strategies, and integrating technology. By prioritizing data-driven decision making and strengthening connections with parents and the community, we aim to provide the best possible educational experience for our students, setting them up for success in the modern world.

State Report Card for Arbon Elementary School District:

❖ <http://www.idahoschools.org/districts/383>

Narrative:

Arbon Elementary, a quaint two-room schoolhouse catering to the educational needs of children from kindergarten through sixth grade. With just 17 students enrolled for the school years of 2023 to 2024. In Arbon, the school isn't just a place of education; it is the center of the community, where friendships are forged, and values are cherished.

Community Involvement:

The Arbon Elementary School District provides the opportunity for parents and the public to attend our monthly school board meetings. Our Continuous Improvement Plan was implemented with the help from the school board, community members, parents and staff. The residents of our community can visit the Arbon School website anytime to access the plan. The Continuous Improvement Plan is reviewed yearly in the fall.

Analysis of Demographic Data: Each student will be evaluated individually and not by grade level due to the relatively small size of school district #383 and lack of diversity among the students.

	2022-23 (25 Students)	2023-24 (17 Students)
